CREATE FRIENDSHIPS & HAVE FUN

7th Grade Initiative GREATER SCRANTON YMCA

As youth begin to face the many challenges of adolescence, they are more likely to begin distancing themselves from formal organizations, friends and family, and to experiment with unhealthy and illegal behaviors. The 7th Grade Initiative is an opportunity for the Y to engage, cultivate and connect with youth at a time that is most crucial to their development.

Program Details

- This program is ongoing
- Membership expires June 30th
