WELCOME TO THE Y!

The Y is a cause for strengthening community. That's why we're here working with you every day, making sure that you, your family and community have the resources and support you need to learn, grow and thrive.

Financial assistance is offered to individuals and families who cannot afford membership or programs.

With a focus on developing the potential of kids, improving individual health and well-being, and giving back and supporting our neighbors, your membership will bring about meaningful change not just within yourself, but in your community, too.

When you join the Y, you belong to a place where:

- Parents find a safe, positive environment for children to learn good values, social skills and behaviors.
- Families come together to have fun and spend quality time with each other.
- Children and teens play, learn who they are and what they can achieve, and are accepted.
- Adults connect with friends, pursue interests and learn how to live healthier.
- Communities thrive because neighbors support each other and give back.
- We all build relationships that further our sense of belonging and purpose.

The Y is a nonprofit like no other. Be a member of something special!

2019 ANNUAL APPEAL CAMPAIGN

The Greater Scranton YMCA's 2019 Annual Support Campaign is around the corner. Like you, we believe that every child deserves a chance to run, play, learn and grow as an individual. It is this belief that makes the Greater Scranton YMCA the heart of our community. Thanks to generous donors like you, we are able to provide opportunities for all children to connect with others and contribute positively to our community. In our most recently completed fiscal year (06/30/2018), our Y awarded over \$400,950 in financial assistance to children, adults, older adults and families from our community, allowing them to benefit from all the Y has to offer.

The Annual Support Campaign is your chance to help low-income and underserved individuals and families experience the Y. 100 % of every dollar you give in this campaign stays right here in the Greater Scranton community.

"I wish there was a way to express my thanks in more than words. I truly believe I will have the opportunity to pay it forward and have all intentions of doing so. My children and I have benefited in ways that are immeasurable. Your camp program and the scholarship that you have given my children have allowed me to have a peace of mind in terms of the care of my children and have made it possible to get to my first job in 10 years that supports myself and my 7 children. The moment I received your email regarding their scholarships, I broke down in tears. I tear up just writing this small and humble thank you. My family is proof that those who donate TRULY make a difference.

They have played, made friends, gotten exercise and received lunches and snacks. These are the things that take the burden off of myself given the limited time I now have. Every dollar has made a difference. Your YMCA and the programs have impacted us in ways I may never be able to explain."
