VOLUNTEERISM GREATER SCRANTON YMCA

As one of the leading nonprofits and volunteer organizations in the country, nearly 600,000 people volunteer at the Y each year and here in the greater Scranton region, hundreds of individuals give back through activities such as mentoring teens, coaching youth sports, serving on our boards and spearheading fundraising drives. These opportunities also help volunteers enhance their personal well-being and develop meaningful relationships – all while making an impact in communities they care about.

- Assist with general administrative duties
- Greet members as they enter the facility
- Assist with nursery school
- Coach a youth sports team
- Help with Y fundraising efforts to ensure those in need can access essential programs and services to reach their full potential.
